

Venture into **dementia**

Raising the profile of dementia within the community is critical so this event will showcase some of the amazing work that takes place in Walsall on a daily basis.

Information stands and advice from a variety of organisations will be available on the day to kick start dementia awareness week.

Pathways 4 Life, Age UK Walsall and ILC (Independent Living Centre) are just a few organisations that will be providing valuable information and support.

Our event is taking place on

Monday, 16 May, 2016

at **11am - 2pm**

 **The Independent Living Centre,**
9 Wisemore, Walsall, WS2 8EZ

Free parking
